## ★ 25<sup>TH</sup> INTERNATIONAL INVENTION, INNOVATION & TECHNOLOGY EXHIBITION MALAYSIA 2014

▶ 8 – 10 May 2014 ▶ Kuala Lumpur Convention Centre

This annual event is an international platform for local and international inventors and research scientists to present their inventions and innovations to a business community keen on commercialising unique inventions. Held by the Malaysian Invention & Design Society since 1989, it attracts inventors with their latest inventions and innovations from universities, research institutions, individual inventors, young inventors, and corporations from Malaysia, Asia and Europe. The event recognises unique inventions through the Inventions of Design Competition where local and international awards are bestowed. These winning inventions gain maximum recognition and attract even more business opportunities. ▶ [www.itex.com.my](http://www.itex.com.my)
