

ITEX to be held next week

KUALA LUMPUR: The annual International Invention, Innovation and Technology Exhibition (ITEX) is back again and will be held on May 8 to 10 at the Kuala Lumpur Convention Centre (KLCC).

Now in its 25th year, ITEX 2014, which is being organised by the Malaysian Invention and Design Society, aims to promote initiatives and opportunities for inventors.

It will feature some 1,000 inventions from more than 20 countries, where inventors will not only showcase their work but also connect

with the business community with a view towards commercialising their inventions.

It will also feature participants for the Malaysian Young Inventors Exhibition (MYIE) 2014 and the Asian Young Invention Exhibition (AYIE) 2014, both of which showcase inventions by young participants from 20 years old and below.

MYIE 2014 will feature up to 10 top winners from the national-level Malaysian Young Inventors Competition to compete in AYIE 2014 and will showcase 75 inventions.
